

GENERAL INFORMATION ON BURIAL LOTS

Many lots are available in the New Cemetery. Meetinghouse and Fairbanks Cemeteries are not available for burial lots.

The Price of a lot includes the charge for perpetual care of the lawn. Memorials, plantings and other structures subsequently placed on lots are not covered under perpetual care.

The purchase of a lot or any interment space gives the purchaser the right of interment of human remains and the right to provide an approved memorial. The ownership of the land remains with the Town of Ashburnham and all lots and graves are subject to the general regulations of the cemetery.
