NEW BUSINESS

Whitman & Bingham Representative, Anthony Cleaves reviewed plans for 2 new residential buildings on School Street near ice arena with board members. Sprinkler pressure adequate per Fire Department, grading problem is being worked out. There is no new usage dorms are being moved or re-habilitated. Dave Berger requested an exterior water gate outside of dorms. Dave also requested the water line to be looped and the Representative from Whitman and Bingham stated was not cost effective.

Steve Nims discussed with the Commission the need for an I/I plan being directed by the DEP for the year of 2017. Steve went over the contract submitted by Weston & Sampson. Charlie Packard and Val Daigle requested for a second proposal by Tighe & Bond.

COMMISSIONERS REPORT

Leo reported to the Commission the latest water usage bill to the treatment plant. Our usage is up especially at Far Hills and he spoke to Bob Latour-Far Hills on this issue. Leo presented his graphs and charts indicating the lake level of -27.4. He is not too concerned at this point.

Val notified the Commission that Oakson plans to present on September 27, 2016 at 6 pm their plan for an alternative sewer discharge site.

Steve told the Commission that Winchendon contacted him and were going to research an alternative water source for their town's water usage.
