

WATER-SEWER COMMISSION MEETING
October 8, 2019

Members Present: Dave Berger, Leo Collette, George Cornwall, Charlie Packard, Steve Nims
Also Present: Gary Howland, Conservation Trust, Janet Morrison, Open Space

CALL TO ORDER: 6:00 p.m.

Motion by Dave Berger to approve October 8, 2019 agenda, 2nd by George Cornwall to approve the agenda, vote was unanimous.

Motion by Leo Collette to approve the minutes from September 11, 2019 meeting, 2nd by George Cornwall, vote was unanimous.

NEW BUSINESS

Depot Road parcels released to conservation dam parcel 4/12 Lot – Green. Vote has to be done by Joint Water Authority. Send letter about Zone A – No septics. Janet will send text copy to BOH, Selectboard, Con Com & committees.

Gary Howland informed the Board that the eastern shore of Upper Naukeag Lake will have forest cutting done. He said that there is a 100 ft. filter strip but there is a section at the southern end that does not have a filter strip. They will be crossing wetlands that they will put bridges (logs) down to cross. Heather/Building Dept. can provide documentation.

OLD BUSINESS

MOU – Waiting for Gardner and new Town Administrator.

I/I Study – No results yet, still waiting for report from Weston & Sampson.

W/S commission status – Good until Town Meeting, has to be voted on.

Meeting adjourned: 6:47 pm

Respectfully submitted by, *Steve Nims*
